Sir,

I have the honor to state that Rule 5 of section III of the village Sanitation Rules lays down that " The owner of ever uninhabited building or portion of a building which is in a dilapidated and dangerous condition, shall be bound, when require in writing, by the Municipal or the District Board, or by the Deputy Commissioner , to dismantle the same and to have the wal levelled to the ground."

2. As the provision does not vest any power in the taluk Board, I recommend that the words "Local Board" may be inserted in place of " District Board

3. The provision as it stands entails correspondence and de and the suggestion, if approved, would obviate both.

I have the honor to be,
S i r,
Your most obedient servant,
C S Gopalakrao

For President,
Kolar District Board.
